CCTI MEMBERSHIP CATEGORIES

I. INDUSTRY MEMBER

A manufacturer in the United States of composite (paperboard) cans, tubes, cores, fibre drums, spools, ribbon blocks, bobbins, and related products for commercial sale. Dues are based on a company's prior calendar year gross sales of industry products. Based on each company's reported gross sales figure, annual dues are computed as follows for independent companies with sales of less than or equal to \$37 million in annual sales:

II. INTERNATIONAL INDUSTRY MEMBER

A manufacturer of products defined in the Industry Member Category, located in countries other than the U.S.

III. ASSOCIATE MEMBER

A supplier of machinery, materials, or services to members in Categories I, II, and III. Independent recyclers and consultants providing a service to industry manufacturers also qualify for associate membership.

V. *RETIRED MEMBER - A previous industry executive (manufacturer or supplier) now retired. **FREE** to all retired members. Members must fill out an application each year to remain active.

VI. *EDUCATIONAL MEMBER - An student or teacher from any paper and packaging school worldwide. Members must fill out an application each year to remain active. Dues are \$35 each year.

Membership Agreement:

CCTI is truly a unique organization among manufacturing associations and we take great pride in the benefits, resources, and services that we are able to provide members. What makes CCTI most unique is the commitment of resources, time and energy that members make to serving the association and its goals. We truly appreciate your interest in this association and we look forward to working with you. As a member of the Composite Can and Tube Institute, you and your fellow company employees will enjoy full access to all of CCTI's member services, benefits, and resources. We encourage you to make full use of all of these components of membership and to commit to attending at least one association event annually.
